Treasurer's Report:

Andy Cole reported the account balance was \$11,669.38. There were recent expenditures for club equipment.

Evening's Demonstration:

Woodturners were treated to a lively and wide ranging demonstration by Sharon Doughtie. She discussed painting techniques to artistically enhance our wood creations. Sharon has a fondness for milk paints because of their dusky and soft appearance. She showed us how to mix the powders and apply them for different effects. Sharon also provided many recommendations on specific materials to buy and where to buy them. Please click on the link below for a Youtube video of the meeting. Don't miss any of Sharon's tips and advice!

The Challenge:

The challenge for September was to create a platter no larger than 12" in diameter. The Challenge is composed of Gold and Silver divisions. Division qualification is simply that the Gold Division is for turners who have two previous First Place Silver Division wins. The division a turner decides to enter their piece in is left to the honor of the member.

Prizes are awarded to the three entries receiving the most votes in both divisions. Prizes are Woodcraft gift cards worth \$25 for first place, \$20 for second place, and \$15 for third place.

Tech Talk:

Rob Hale showed a cracked monkey pod bowl that he was seeking comments on to repair and refinish it. Several members offered insightful and varied advice, showing there are multiple ways to achieve a pleasing result.

Your Challenge for the Next Meeting:

Woodturners have many options to choose from to embellish our works. Sharon Doughtie showed us a plethora of ways to apply milk paint and acrylics. Rob Hale challenged members to be creative and make a piece next meeting with at least one color. Your piece must fit within a 10" cube. Show us what you've got!

Final Notes:

Thank you to Albert Koorenhof and Willy Ridep for volunteering to take Challenge and Instant Gallery entry photos.

Next meeting: November 8, 2022, 6:00PM.
